## Two New Funding Opportunities

Reflecting our commitment to improve access, equity, capacity, and impact for maternal and child health populations, we have announced two new funding opportunities. Public or private entities, community-based entities, Tribal governments and Tribal organizations may apply. **Apply by July 10, 2024.**

### Center for Maternal and Child Health Medicaid Partnerships

This program aims to enhance collaboration among state Medicaid, Children's Health Insurance Program, and Title V Maternal and Child Health Services Block Grant programs. The awarded recipient will facilitate knowledge sharing and provide state-specific technical assistance to these programs to improve maternal and child health outcomes by advancing innovative financing strategies and updating interagency agreements that help guide coordination between state Title V programs and Medicaid programs.
